# “Setting up the Structure of a Danube River Forum” DARIF

## 6th meeting of the PA1a Working Groups

**Mónika Herczeg**  
Project Manager  
Ministry of Interior of Hungary

Vukovar  
28th October 2014

## MAIN AIMS OF THE PROJECT

- To increase jointly the safety and security of the Danube;
- To take harmonised and efficient measures against river and river related crimes and organised crimes;
- To involve more authorities (border guards, water polices, customs, disaster management etc.) to the national and international cooperation;
- To establish the common platform for this cross border cooperation on the Danube;
- To integrate the national River Information Systems to support the data exchange between Danube law enforcement authorities.
